## EU Settled Status Information Session

Wednesday 19th June, 6-7.30pm

There are over 1 million EU Londoners in London who call this city their home – and we want all of them to be clear on what they need to do to continue to live here.

If you are looking for more information about the EU Settled Status scheme, we are running a group information session on Wednesday 19th of June at our offices in Tottenham. Feel free to share this event with friends or family who are looking for more information. To register, please respond to this email and provide your details, any accessibility requirements we need to be aware of and what support you are looking for. Alternatively give us a call on 0207 354 9631.

If you would like to sign up for updates specifically about our EU Settled Status related events, please do respond to this email letting us know and we will add you to the list.
